

IWS-1096G

- Meets ASTM F2098 standard
- One tool clamps all sizes: 3/8" to 1"
- Wire EDM Cutting processed jaw
- Constructed of high-quality carbon steel
- Ratchet design brings fast and reliable connection
- Environment friendly soft rubber coated grips
- Factory-adjusted, calibration tool provided

IWS-1906G

Item NO.	Available Size	Remove Clmaps	Calibration Tool Included	Length	Weight
IWS-1096G	3/8"-1"	×	✓	300mm	0.65Kg

KIT-1096D

ITEM INCLUDES

IWS-1096G	1PC
1/2" clamp	20PC
3/4" clamp	10PC
PEX Cutter	1PC
Go/No Go gauge	1PC

BJ0010C

- Meets ASTM F2098 standard
- One-hand ratchet design
- Used to clamp stainless steel clamps
- Precise internal structure guarantees leaking-free
- Helps connect PEX pipe in narrow areas with minimal force

BJ0010C

Item NO.	Available Size	Remove Clmaps	Calibration Tool Included	Length	Weight
BJ0010C	3/8"-1"	×	✓	245mm	1.0Kg

ICP-BJ02

- Meets ASTM F2098 standard
- Equipped with one-piece high-quality ratchet mechanism
- Innovative design to satisfy cinching and removing two requirements
- 25% labor saving compares to regular cinch tools

ADJUSTABLE TENSION

ICP-BJ02

Item NO.	Available Size	Remove Clmaps	Calibration Tool Included	Length	Weight
ICP-BJ02	3/8"-1"	×	✓	252mm	0.93Kg
