

- Using the rope attached to the *Nose Cone(s), carefully guide the liner(s) down the chimney through the inlet opening to avoid any damage to liner(s). If easier guide both liners down chimney at same time. Mark top and bottom of one liner as "EXHAUST" to ensure proper installation. Allow just enough liner to extend to appliance.

*Nose Cone can be purchased separately from Z-Flex.

- For models **DVI-D & DVI-X** attach liners directly to appliance using high temperature sealant (field supplied) and secure each liner with three (3) evenly spaced self-drilling screws included in kit. Ensure liners are connected properly to appliance i.e. "EXHAUST" liner to "EXHAUST" appliance collar.
- Using a hacksaw, snips or cutting wheel trim the liners to the required height. Attach liners directly to Cap/Flashing using high temperature sealant (field supplied) and secure with three (3) evenly spaced self-drilling screws per liner included in kit. (See figure 3)
 NOTE: Air intake of cap is marked with blue tape.
- Place the Cap/Flashing over the liners and secure to chimney using nail-in anchors. Caulk all joints with a quality silicone sealant and paint if required (both field supplied). (See figure 3)

Maintenance Instructions

The chimney lining system should be checked for any signs of corrosion, debris or leakage and if necessary repaired by an authorized representative of the company, or other qualified person such as a certified chimney sweep, at least once a year following initial installation.

To clean the liner, remove Cap. Check appliance manufactures' instructions to see of any particular precautions should be taken on initial firing or cleaning of any appliance that is vented through a chimney liner.

Save these instruction for future reference.

Full 25 years liner warranty

Z-Flex® U.S., Inc. ("Z-Flex®") warrants its ALUMINUM CHIMNEY LINER to the original purchaser or if purchased by a contractor, to the end user. The warranty is valid for a period of (25) years, provided it is installed according to UL installation instructions. Deviating from the installation and use instructions included with the liner will void the warranty. Z-Flex® warrants that at the time of shipping the ALUMINUM CHIMNEY LINER will be free of manufacturer's defects in material and/or workmanship.

Liability under the warranty shall be limited to the replacement of the liner and accessories found to be defective according to the terms of the warranty, and shall not include replacement installation or other costs.

IMPORTANT: Z-Flex® ALUMINUM CHIMNEY LINERS are designed to be used with these fuels only: Natural gas and propane gas. Excessive condensation with high chlorine content may have a corrosive effect on aluminum. Where these conditions prevail, we recommend using our AL29-4C® Stainless Steel vent system. Refer to equipment manufacturer's installation instructions for proper liner material.

To activate the warranty, the purchaser or end user must complete and return the Z-Flex® warranty registration card within ninety (90) days of installation. Upon receipt of written notice of any defect, Z-Flex® reserves the right to examine or engage others to examine the liner. Such examination must establish reasonable proof of defective material or workmanship justifying replacement.

The sole remedy for breach of any and all warranties and the sole remedies for Z-Flex®'s liability of any kind shall be limited to the remedies provided herein. Z-flex shall not be liable for any special, incidental, indirect or consequential damages, or for any claim against the purchaser or end user by any other party. EXCEPT AS SPECIFICALLY PROVIDED HEREIN, Z-FLEX® DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Some states do not allow the exclusion of implied warranties or the limitation or exclusion of liability for incidental or consequential damages, so the above limitations may not apply to you. You may also have other rights which vary from state to state.
